MobArt is proud to present a whole new form of Art in collaboration with Sara's Henna. This exhibition showcases two forms of Art: The Henna Art by Sara Mush and the photography by Joyce Yung and Kenneth Lim. This is an unprecedented collaborative project for MobArt and part of our proceeds from the sales of artworks will be in aid of the worst humanitarian crisis in Sara's home country, the flooding in Pakistan.

The 'Henna Warri...ors' exhibition ties in 4 months of connecting individuals, crossing borders and exploring the power of the traditional form of Henna Art. This campaign aims to create awareness of henna art and break the boundaries of henna design by invigorating traditional eastern henna with modern art in order to portray the strong personalities of HK's modern entrepreneurial women.

Henna has always been Sara's passion, and she is proud to share it with the world. It has helped her adapt to the fast-paced modern world while remaining close to her roots. Because it is not permanent, it allows her to express herself in a reflective and re-inventive way. Henna is her haven.

Sara's inspirations for this campaign are four entrepreneurial women in Hong Kong who are from four corners of the globe. The patterns and designs on the specific parts of their body represent their strength, vitality and vigor.
