Art: 30+ Children Opening Reception by MobArt, Hong Kong

Quintessentially Members are warmly invited to the opening of *30+ Children* at Pop Bites on Thursday 30th September from 6.30-8.30pm.

Showcasing the work of Tim Cheng, who depicts the world he sees from a children's perspective, the exhibition promises to be a lively and exciting exploration of youth and growing up.

MobArt is an art gallery with a twist. Unlike the traditional art galleries, they don't have a physical space, but "pop up" around the city, utilising alternative urban spaces like restaurants, coffee shops and lounges to curate art shows.

30+ Children will run until Thursday 4th November 2010. To RSVP or for more information, please email eventshk@quintessentially.com.
